

ALL SC05 High School Students are invited

2023 Congressional Art Competition

The Art Competition is hosted annually by the House of Representatives to recognize our wonderful students!

All High School Students residing in the 5th District (Cherokee, Chester, Fairfield, Kershaw, Lancaster, Lee, Union & York Counties and parts of Spartanburg & Sumter Counties) who attend a private or public school or who are a part of the home school network can submit their work. Entries are accepted in mid-April.

Following the decision of a panel of judges, the over-all winner of our SC05 district competition is displayed for one year in the Capitol entrance alongside winning artwork from all US districts and territories.

**We look forward to honoring
your Creativity**
