Rep. Ralph Norman (SC05) invites YOU to join...

the 2022 Congressional Art Competition

The Competition is hosted annually by members of the U.S. House of Representatives to give the public an opportunity to recognize and encourage the talent and creativity of students in our district.

Open to all high school students residing in South Carolina 5th District (Cherokee, Chester, Fairfield, Kershaw, Lancaster, Lee, Union & York counties and parts of Newberry, Spartanburg & Sumter counties) who attend a private or public school or who are a part of the home school network. Entries are accepted in the spring, usually in mid-April.
