1ST SESSION

**H. R.** \_\_\_\_\_

To amend title XIX of the Social Security Act and Public Health Service Act to improve the reporting of abortion data to the Centers for Disease Control and Prevention, and for other purposes.

\_\_\_\_\_  
IN THE HOUSE OF REPRESENTATIVES

Mr. NORMAN introduced the following bill; which was referred to the Committee on \_\_\_\_\_

\_\_\_\_\_  
**A BILL**

To amend title XIX of the Social Security Act and Public Health Service Act to improve the reporting of abortion data to the Centers for Disease Control and Prevention, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Ensuring Accurate and  
5 Complete Abortion Data Reporting Act of 2025”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Reporting abortion data has been voluntary  
2 in the past, which has not resulted in complete data  
3 being submitted to the Centers for Disease Control  
4 and Prevention.

5 (2) While the Centers for Disease Control and  
6 Prevention requests specific data points from each  
7 State and the District of Columbia, there is a great  
8 variety in the information collected and published by  
9 the States.

10 (3) In fact, there is not a single abortion data  
11 point publicly reported for all fifty States and the  
12 District of Columbia.

13 (4) Even more alarming, three States that to-  
14 gether account for 15 percent of the United States  
15 population of women of childbearing age do not re-  
16 port any abortion data to the Centers for Disease  
17 Control and Prevention.

18 (5) Accurate statistical data regarding abortion  
19 and those who survive abortion attempts is critical  
20 to public health and policy analysis.

21 **SEC. 3. MEDICAID PAYMENTS FOR CERTAIN FAMILY PLAN-**  
22 **NING SERVICES AND SUPPLIES CONTINGENT**  
23 **ON SUBMISSION OF ABORTION DATA TO CDC.**

24 Section 1903 of the Social Security Act (42 U.S.C.  
25 1396b) is amended—

1           (1) in subsection (a)(5), by inserting before “an  
2           amount equal to” the following: “subject to sub-  
3           section (cc),”; and

4           (2) by adding at the end the following new sub-  
5           section:

6           “(cc) ANNUAL REPORTS ON ABORTION DATA.—

7           “(1) IN GENERAL.—Subject to paragraph (2),  
8           as a condition of receiving payment under subsection  
9           (a)(5) with respect to any amount expended during  
10          a year (beginning with the year following two years  
11          after the date of the enactment of this subsection)  
12          for family planning services and supplies described  
13          in section 1905(a)(4)(C) furnished to an individual  
14          described in section 1902(ii) or an individual whose  
15          medical assistance under this title is limited to such  
16          services and supplies furnished pursuant to a waiver  
17          granted under section 1115, each State shall, by not  
18          later than December 31 of the previous year, submit  
19          to the abortion surveillance system of the Centers  
20          for Disease Control and Prevention, with respect to  
21          the year before the previous year, at least abortion  
22          data regarding the mandatory questions described in  
23          section 317W(a)(3)(A) of the Public Health Service  
24          Act.

1           “(2) LATE SUBMISSION OF REPORTS.—With re-  
2           spect to a year, in the case of a State that does not  
3           submit by December 31 of the previous year the  
4           abortion data required under paragraph (1) with re-  
5           spect to the year before the previous year but sub-  
6           mits such data by December 31 of the year, such  
7           State shall continue to receive payment, including  
8           retroactive payment, under subsection (a)(5) with  
9           respect to any amount expended during the year for  
10          family planning services and supplies described in  
11          section 1905(a)(4)(C) furnished to an individual de-  
12          scribed in such paragraph.

13           “(3) CERTIFICATION OF ABORTION DATA.—

14           “(A) IN GENERAL.—With respect to each  
15           submission of abortion data under this sub-  
16           section, a State shall certify to the Director of  
17           the Centers for Disease Control and Prevention  
18           that such data is accurate.

19           “(B) FALSE INFORMATION.—In the case  
20           that the Director of the Centers for Disease  
21           Control and Prevention determines that a State  
22           has knowingly provided false information with  
23           respect to a submission of abortion data under  
24           this subsection, such State may not receive pay-  
25           ment under subsection (a)(5) with respect to

1 any amount expended during the first full fiscal  
2 year following such determination for family  
3 planning services and supplies described in sec-  
4 tion 1905(a)(4)(C) furnished to an individual  
5 described in paragraph (1).”.
