**A BILL**

To award a Congressional Gold Medal to Chad Robichaux, Sarah Verardo, Tim Kennedy, Kevin Rourke, Sean Gabler, Dave Johnson, and Dennis Price, in recognition of their exceptional efforts and selfless dedication during the Afghanistan evacuation in 2021, which led to the safe evacuation of over 17,000 people from Taliban-controlled Afghanistan.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Save our Allies Con-  
3 gressional Gold Medal Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) The events of August 2021 marked a sig-  
7 nificant turning point in the history of the United  
8 States engagement in Afghanistan, as the Nation  
9 underwent a process of withdrawal after over two  
10 decades of military presence.

11 (2) Over the course of those 20 years, countless  
12 men and women in uniform made tremendous sac-  
13 rifices to uphold the principles of democracy and  
14 freedom, while also honoring the promises made to  
15 the Afghan people to build a safer and more pros-  
16 perous Nation.

17 (3) Among these exceptional individuals were  
18 the 13 individuals who participated in the Afghani-  
19 stan evacuation in 2021, serving as a beacon of hope  
20 and demonstrating unwavering dedication to the  
21 ideals of America.

22 (4) When the final withdrawal was announced,  
23 Chad Robichaux knew he needed to act. His combat  
24 interpreter, Aziz, who had saved his life on countless  
25 occasions throughout his eight deployments to Af-  
26 ghanistan as part of a Joint Special Operations

1 Task Force, was now being hunted and targeted by  
2 the Taliban for helping him. Determined to save his  
3 loyal friend, Chad embarked on a mission that would  
4 bring together 13 modern-day avengers, all Special  
5 Operations veterans, and one determined woman, to  
6 drop everything and rescue Aziz and his family from  
7 Afghanistan. Without hesitation, each member of the  
8 team agreed to join the daring mission.

9 (5) In a matter of hours, Chad Robichaux as-  
10 sembled his team and made a crucial call to Sarah  
11 Verardo, the wife of a catastrophically wounded Sol-  
12 dier from his service in Afghanistan, who miracu-  
13 lously secured their way to Hamid Karzai Inter-  
14 national Airport (HKIA) in Kabul, Afghanistan. The  
15 12-man team quickly mobilized, with Chad heading  
16 to Abu Dhabi, UAE, to establish a humanitarian  
17 center for evacuees. Meanwhile, Tim Kennedy, Kevin  
18 Roarke, Sean Gabler, and Dave Johnson headed for  
19 HKIA itself. Setting up a command center at  
20 HKIA, the team conducted non-stop rescue oper-  
21 ations amidst Taliban-controlled territory, facing im-  
22 mense danger without a Quick Reaction Force  
23 (QRF). In just 10 days, their unwavering efforts led  
24 to the successful rescue of over 12,000 lives.

1           (6) Even in the face of tremendous adversity,  
2           the team's dedication did not waver. Despite Abbey  
3           Gate being destroyed and the gates welded shut,  
4           they refused to leave. Over the next two months,  
5           they continued their humanitarian efforts remotely,  
6           leading a coalition to rescue an additional 5,000 in-  
7           dividuals through alternate routes around the region.  
8           Their commitment and determination made a sig-  
9           nificant difference during this critical time of need.

10           (7) Chad Robichaux's mission did not end with  
11           the evacuation from HKIA. Teaming up with Fellow  
12           Force Recon Marine and Scout Sniper, Staff Ser-  
13           geant Dennis Price, he embarked on a grueling 10-  
14           day, 90-mile reconnaissance mission along the  
15           Tajikistan and Afghanistan border, swimming into  
16           Afghanistan every night past Taliban and Chinese  
17           soldiers in order to use their special operations expe-  
18           rience to build evacuation routes for women and  
19           children still trapped in Afghanistan as Afghan  
20           Commandos attempted to move them to the  
21           Tajikistan border. Braving the treacherous terrain  
22           and encounters with foreign militaries, including  
23           Chinese, Russian, Tajikistan, and Taliban fighters,  
24           they successfully established routes that are still in

1 use today, ensuring more people could find their way  
2 to safety.

3 (8) The valor and courage displayed by Chad  
4 Robichaux, Sarah Verardo, and the 12 Special Oper-  
5 ations veterans during the Afghanistan evacuation in  
6 2021 exemplify the very essence of America's prom-  
7 ises to the Afghan people throughout the 20 years  
8 of war. Their actions served as a powerful testament  
9 to the unwavering loyalty and dedication of the  
10 United States Armed Forces, reinforcing our na-  
11 tion's role as a beacon of hope and justice on the  
12 global stage. Their commitment to duty and human-  
13 ity will forever be etched in the Congressional record  
14 as a shining example of American heroism.

15 (9) Under the exceptional leadership of Force  
16 Recon Marine Chad Robichaux, this remarkable  
17 team of Special Operation veterans took up the  
18 charge to protect and evacuate over 17,000 citizens  
19 and Afghan allies from Taliban-controlled Afghani-  
20 stan, during a time of unfathomable danger and un-  
21 certainty.

22 (10) These individuals have dedicated their lives  
23 to protecting our country, putting their own lives on  
24 the line to safeguard others, and their heroism de-  
25 serves great honor.
